MOVEMENT SERIES

The new colors we have created to continue the Movement Series represent a lifestyle centered around design and practicality working harmoniously to create luxurious, ultra-smart spaces. These carefully chosen colors are proven to psychologically improve your mood, and provide a sense of relaxation and serenity.

LUXURY MARBLE AND CHIC CONCRETE WITHOUT THE HASSLE

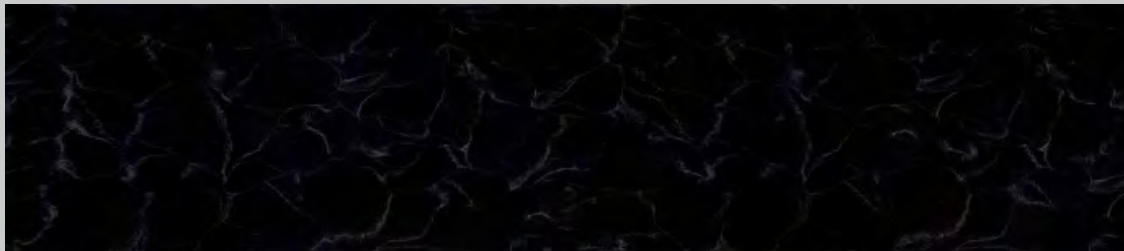

Meganite's NEW color collection empower you to achieve beautiful spaces in marble and concrete without the hassle. Cleaning and maintaining the sleek look is made easier with the hassle-free non-porous surface which limits bacteria and mold growth. The flowing veins can be seamlessly joined and thermoformed to create shapes which reduce fabrication difficulties.

WEATHERED CONCRETE COLLECTION

M023 Charcoal Concrete

Embodying the rough and strong look of concrete, the new colors maintain a subtle beauty which celebrates the fundamentals of good design: powerful aesthetics and bountiful possibilities for all spaces. Presented through different shades of grey ranging from gentle and warm grey to dramatic and dusky near-black tones. Monochromatic veins and fine particles breathe across the surface, creating a lavish and energetic look with a refined touch.

M021

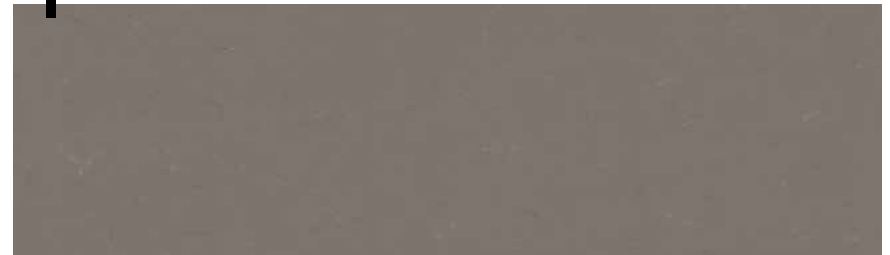

Shadow Concrete

An understated soft grey pattern evoking a gentle warmth. Contrasting veins and particles sweep across the surface, providing a welcoming and traditional aesthetic.

M022

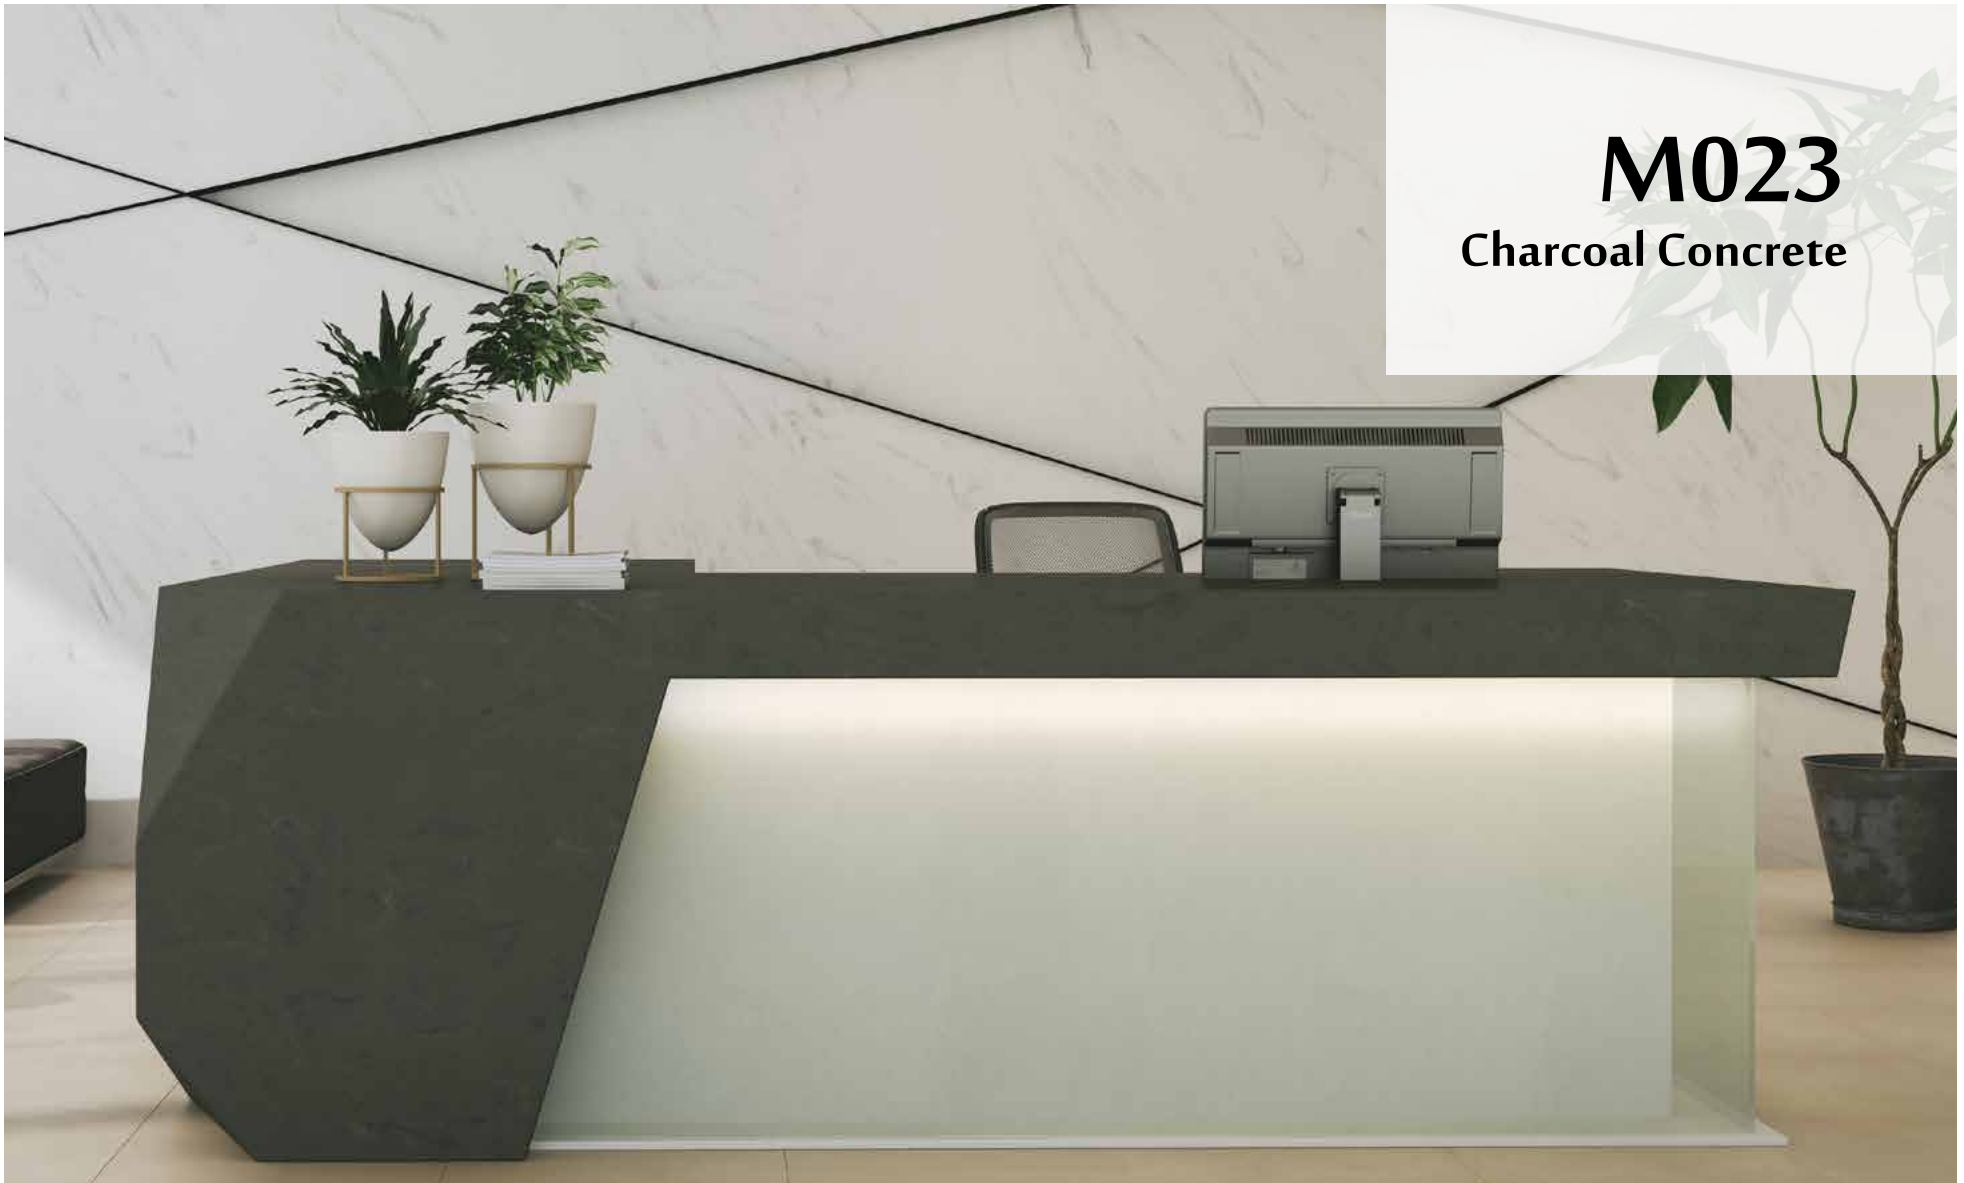

Taupe Concrete

Bold and straightforward, this design is a balance of a strong exterior and soft center, with neutral colors perfectly matched with one another.

M023

Charcoal Concrete

This dark and rich pattern delivers drama and flair, interspersed with a cool palette of fine particles to deliver a bold, modernist look.

M036

Pinecone

A mix of warm brown tone and sage lines which move across the surface that brings a cozy feeling to any space.
